HELP MAKE THE ROCK HALL "WEIRD"

We, the undersigned, strongly request that pop satirist "Weird Al" Yankovic be inducted into the Rock and Roll Hall of Fame. As the best-selling comedy artist in history, since 1979 Al has made a career of taking every form of pop music and putting his own demented spin on it. He is rock and roll's class clown, and it is high time that he is honored in the genre's hall of fame.

(This is a fan-driven campaign and is not officially endorsed by Al Yankovic or his management)
